**Hello there! I'm McGruff. My job is to teach people about crime prevention. I'm going to show you some easy ways you can help stop crime at home and school — and make this a safer place for all of us to live.**

**Remember — I need your help so that together we can "Take a Bite Out of Crime."**

**“Have fun coloring and learn how to prevent crime, too!”**

**Here are some crime prevention tips.**

**McGruff says,**

- **“Lock up your things.”**
- **“Never hitchhike!”**
- **“Mark your things with mom or dad’s driver’s license number.”**
- **“Don’t give information to strangers over the phone.”**
- **“Keep your doors and windows locked at all times.”**
- **“Be alert! Call the police if something is wrong.”**
- **“Remember — fire destroys.”**
- **“Register your bike and always lock it up.”**
- **“Stealing is wrong.”**
- **“Never damage or destroy property.”**
